Newer modern style home in a beautiful Bettendorf neighborhood in the PV School District. A heated driveway leads to a unique home with loads of extras and a view of the river.

The bright chef's kitchen features European style cabinets, touch faucets, granite waterfall island, Thermador gas stove, direct plumbing for coffeemaker and more! The master walk-in closet and bath with its walk-in rain shower are connected and designed for functionality and style. All bedrooms enjoy ample natural light and are spacious and accommodating. The house has so many extras it is hard to list them all. Please visit the website for photos and details, or better yet, call the seller for your private showing today!
