This beautifully remodeled home is located in Parkview on one of the most desirable lots. Nestled in a peaceful cul-de-sac, the backyard overlooks a tree-lined park with a bike path, offering excellent privacy. The garage floor and all exterior concrete have been recently replaced. Inside, this home features three, potentially four bedrooms, all fully updated within the last two years, including the bathrooms. Enjoy quartz countertops in both the kitchen and bathrooms, along with a new walk-out patio on the lower level. The roof was replaced in 2022, including plywood and shingles. Additionally, the highly regarded North Scott elementary school is just a few blocks away.
